ACADEMY

ADULT PATHWAY TO GOLF

TRY - LEARN - PLAY

BLUE

This programme has been designed for **entry level golfers**, with coaching content which :

- Covers all the basic such as grip, stance, aim & swing to enable consistency
- Basic understanding of short game shots, putting & chipping

RED

This programme has been designed for **novice golfer**, with coaching content as above plus :

- Apply golf swing to different golf clubs to increase understanding
- Improve on golf swing to hit the ball from the floor while maintaining a consistent strike & accuracy
- Short game techniques to play more consistency such as chipping, bunkers & putting.

YELLOW

This programme has been designed for **intermediate golfers**, who want to improve on :

- Swing work to hit a consistent ball flight with good distance
- In depth short game techniques including chipping, pitching and bunkers
- Course management techniques to help with on course decision making.
