General Information

GENERAL

The Constitution of The Nottinghamshire Golf Club and the Rules and Regulations as laid down by the Management, shall be observed at all times, copies of which are available in the Clubhouse. The Management reserves the right to refuse admission and/or cancel membership forthwith if any member shall be, in the opinion of the Management, causing a nuisance or annoyance to other members, or to other users of the club facilities.

Members, guests and visitors must abide by the dress code as laid down by the Management.

All members must report to the Golf Shop prior to play and are responsible for ensuring that their guests pay the appropriate Green Fee.

The use of Buggies and Trolleys may be curtailed from time to time during adverse weather conditions.

ETIQUETTE

Safety

Prior to playing a stroke or making a practice swing, the player should ensure that no one is standing close by or in a position to be hit by the club, the ball or stones, pebbles, twigs etc. which may be moved by the stroke or swing.

Consideration for other Players

The player who has the honour should be allowed to play before his opponent or fellow competitor tees his ball.

No one should move, talk or stand close to or directly behind the ball or the hole when a player is addressing the ball or making a stroke.

In the interest of all, players should play without delay. **'Ready Golf' is encouraged when safe to do so.**

No player should play until the players in front are out of range.

If a ball is played into an area where it may be difficult to find, other than water, a provisional ball should be played from the spot where the original was played before going forward to search for the original.

Players searching for a ball should signal the players behind them to pass as soon as it becomes apparent that the ball will not easily be found. They should not search for 3 minutes before doing so. They should not continue play until the players following them have passed and are out of range.

When the play of a hole has been completed, players should immediately leave the putting green, not mark their cards before doing so.

Priority on the Course

In the absence of special rules, always allow faster matches to play through.

Any match losing a clear hole on the players in front, **must** invite the match following to pass.

Competition Dress Code

All members who enter any club competition must adhere to the Dress Code as laid down by the Club Management.

The Committee may deem any member not complying with the Dress Code ineligible for entry to future competitions.

Slow Play

It is the responsibility of all players to ensure that a game is played at the correct speed. The Match and Handicap Committee reserve the right in accordance with the Rules of Golf, to penalise players and or groups of players in any competition who are deemed to be holding up the pace of play.

General Issues

All members have the right to bring any appropriate matter to the attention of the Committee. The member should raise the matter in writing to the Honorary Secretary and the matter will be dealt with by the main Committee or Officers of the Club.

Health and Safety

In the event of lightning, which the Owner or his representative considers to be dangerous, a klaxon will sound. All players should leave the course as soon as possible. If the klaxon sounds during a competition, play is immediately suspended. Players must mark their ball and leave the course immediately – a further decision will be made by the Competition Committee as to the potential resumption of play in the competition.

Competition Rules & Format

1. GOVERNMENT OF THE GAME

The Club shall abide by:

- 1.1. The Rules of Golf as approved by the R&A Jan 2019.
- 1.2. The Rules and Regulations of the England Golf.
- 1.3. The Rules and Regulations of the Nottinghamshire Union of Golf Clubs.
- 1.4. The Rules of Handicapping Jan 2020
- 1.5. The Rules of Amateur Status as approved by the Royal and Ancient Golf Club of St Andrews.
- 1.6. Competition eligibility rules as detailed in Section 2 will also apply. The use of Caddies **will not** be allowed during Club competitions, although an adult may escort a junior but **not** act as a Caddie.

NOTE – any golfing matter, which requires to be dealt with by means of formal Disciplinary or Grievance procedure, will be conducted in accordance with the Club Disciplinary Procedure and relevant EG guidance and procedures.

2. COMPETITION ELIGIBILITY

All 'Acceptable Score'(qualifying) competitions, named trophy competitions (see section 5) and knockouts in all sections of the club are subject to the following rules:

- 2.1. England Golf recognizes players having an established Handicap Index. The Club requires players to have played a minimum of 3 'Qualifying' scoring rounds in the preceding 12 months prior to the date of the competition. Members who have not met this requirement may play in the competition but will be ineligible for a prize.
- 2.2. To enter knockout competitions, entrants must comply with the requirements in 2.1 above at the closing date for entries.
- 2.3. Members who transfer their handicap from another club may win a competition prize if their record shows that they have an established handicap index and comply with the requirements in 2.1 above.
- 2.4. Members wishing to represent the Club in external competitions should, at the discretion of the Match & Handicap Committee, be required to comply with 2.1 above.
- 2.5. All members and Members of Staff are entitled to enter Club competitions at the weekend and Bank Holidays provided they pay the entry fee and any green fee required by management. All players must have an established handicap index prior to the start of any competition, unless the competition is being used for the purposes of handicap allocation. In this instance they should not pay an entry fee and are not eligible to win a prize.

3. COMPETITION ENTRY & MANAGEMENT

The ladies, seniors, juniors and mixed sections of the club may have different competition management. The following section applies to competitions run by the main committee.

- 3.1. All competitions will be played using the appropriate handicap allowance, unless specified otherwise, and prizes will be awarded in the following playing handicap divisions:
Gents 1: 0-9 2: 10-15 3: 16-28
- 3.2. Entry to competitions is made via the use of HowDidIDo (HDID) and Touch Screen system only, cash payments are not accepted – details of these facilities are available from any member of the Committee.
- 3.3. Entry for competitions run by the main committee should be made by entering your own name and up to 3 other names on the relevant entry sheet via HDID or on the Touch Screen. Members allowing others to enter their name must take responsibility as though they had entered themselves. For Major Competitions a draw may be made to determine playing order within time slots.
- 3.4. By entering a name, a player has shown an intention to play and failure to turn up without informing the competition organisers may result in disciplinary action being taken at the discretion of the committee, as will leaving the course without good reason (and/or not reporting the fact to the committee) and failure to return a competition score on the day of competition. This may involve suspension from a number of future competitions. In the first instance and for the first offence a 'Warning Notice' will be issued to the individual concerned. Any further indiscretion will attract a 'Banning Notice' for a period of one month. In team competitions, only the card marker may be suspended, unless he/she cannot be identified in which case all team members may be suspended. Details of which will be published on the

Members Main Noticeboard. Any member wishing to appeal against a suspension must do so within 21 days from the date on the suspension notice.

- 3.5. Competitions are run on a "Pre-payment" basis and the appropriate entry fee will be deducted from the Competition Account at the time of entering a name on the entry sheet. Members wishing to enter competitions should follow the committee instructions on how to add funds to their competition account.
- 3.6. Any member who has pre-paid but withdraws formally from a competition **prior** to 23:59hrs on the day before the competition will automatically have their entry fee refunded to their Competition Account.
- 3.7. Any member who has pre-paid but withdraws from a competition after **23:59 hrs on the day before the competition** will not receive a refund and their entry fee will be included in the prize fund.
- 3.8. On the day of the Competition, all competitors will be required to sign in on the start sheet (in team competitions at least one member of the team must have signed the start sheet) and, if appropriate, on the computer. **PRIOR** to starting play. This also applies to Midweek competitions. Players are not permitted to enter the competition after they have completed their round. Specific signing in requirements may differ depending on the Competition, and these will be clarified on the day.
- 3.9. In order to facilitate the closing of the competitions, players are requested to complete the top section of the scorecard by entering the name of the competition, the player's name and handicap index, Course Handicap and Playing Handicap with the date and start time. Repeated failure to do so may result in players being suspended from a future competition. All players must enter their scores into the touch screen or via the HDID App on completion of their round (if appropriate).
- 3.10. The Match & Handicap Committee will review any player who does not enter their score and consider entering a penalty score
- 3.11. In the event of a tie in a stroke play competition, the winner shall be decided on count back over the final 9, 6, 3, & 1 holes of each tied fractional score in order. In the event of tie in the men's club gross championship the winner will be decided by a 4 hole play off. If still undecided then a sudden death playoff will determine the winner.
- 3.12. Qualifiers for Medal Finals are the winners of each division, and any equal scores in that division on that day, in qualifying Club Monthly Medal competitions including the Seniors and last Midweek Medal of the month, played since the last Medals Final. (Any 5-day members may be expected to pay a Green Fee to play in the Medals Final at a weekend).
- 3.13. A gents Order of Merit competition is run between May and September with designated competitions attracting points, which are accumulated and calculated into an Order of Merit table. The top four players are invited to participate in an away day at a course decided by the committee.
- 3.14. Qualifiers for the Men's Victory Cup will be decided by the Match & Handicap Committee and will be revue annually. Players will be identified through the WHS reporting system and advised of their automatic entry into the competition administered by the Match and Handicap Committee.

3.15. Results will be published by the Match and Handicap Committee as soon as possible after the conclusion of each competition, and in the event of any disputes, the decision of the Match and Handicap Committee shall be final.

3.16. The Match and Handicap Committee have agreed that individual section Competition Organising Committee's will set the competition handicap limit for each competition.

4 MATCHPLAY KNOCKOUT COMPETITIONS

4.1 The entry fee must be paid before the closing date for entries. Anyone who has not paid will not be included in the draw.

4.2 The first named entrant(s) in any match shall be responsible for contacting the opposition to arrange the match, and should offer three 'reasonable' dates, **which should include at least one weekend date**. Once a date has been agreed, failure to turn up on time shall result in the match being forfeit. Although the first named entrant(s) have the responsibility for contacting the opposition, all players should try to make this as easy as possible. Any difficulties concerning arrangement of a match-play fixture should be brought to the attention of the competition organiser as soon as possible.

4.3 All matches will be played on the Championship Course unless both parties agree otherwise. All matches will be played from the relevant tee tombstone (White or Red) or from the relevant tee marker if it is placed within 10 yards of the tombstone.

4.4 Each round **MUST** be completed by the date indicated. In the event of any match not being completed by this date, the second named entrant(s) shall proceed to the next round after confirmation of the circumstances related to non-completion of the match by the competition organiser, whose decision shall be final. No extensions to the completion dates will be granted. After a pairs match date is agreed, should one team only have a single player available, the match should either proceed with the single player or should be forfeit.

4.5 **Matchplay Handicap Allowances**

Singles – full handicap difference

Four Ball Better Ball – 90% difference from lowest handicap.

Foursomes – 50% the difference between the aggregate handicaps of each side. No need for additional shot as this is a mixed pairs event - extra shots cancel each other out.

NOTE – Strokes should be taken from the relevant index as per the Rules of Handicapping recommendation unless both parties agree otherwise. Strokes **MUST** not be taken from both indexes in the same match.

A ball lying over the boundaries of the course marked by WHITE posts or lines, or hedges, fences or streams. When marked by stakes or a fence, the out of bounds line is determined by the nearest inside points of the stakes or fence posts at ground level. When defined by a line on the ground, the line itself is out of bounds. A ball is out of bounds when all of it lies out of bounds.

10.2 Immovable Obstructions

All ROADS, PATHS, BRIDGES (including bridges over hazards,) and low FENCES (bordering buggy paths, teeing areas) which interfere with the player's stance or the area of their intended swing, shall be deemed immovable obstructions and relief **MAY** be taken in accordance with Rule 16 (i.e., lift and drop ball within ONE club length of the nearest point of relief, no nearer the hole, without penalty). See below

Penalty for second breach unrelated to first breach: *Disqualification*.

A multi functional device, such as a smartphone or PDA, may be used as a distance-measuring device, but it must not be used to gauge or measure other conditions where doing so would be in breach of Rule 4.3.
